

Cardboard coffins

The Cardboard eco-coffins featured here are available as part a funeral you're arranging with Natural Endings. You can also buy these coffins directly from our website, however they are available for collection only from our main premises in Todmorden or office address in Stretford.

Cardboard coffins are one environmentally friendly coffin choice. Some cardboard coffins are plain and a good base for painting or decorating.

Family and friends can paint, stick photos on, stick bits of their loved one's own artwork on the coffin or pictures produced by the family.

Our economical cardboard coffins are made of at least 70% recycled paper and wood pulp sourced from reputable sustainable forests. Constructed to a special design, these coffins can carry up to 23 stone in weight. The basic cardboard coffins come in three different appearances, all supplied with natural rope handles. The white coffin can also be chosen in a different single colour. All cardboard coffins are 100% biodegradable, as no plastic is used when making these.
