with Natural Endings.

When you place your order to have this coffin delivered to you or your funeral director, we will contact you within 12 hrs (Mon-Fri) to discuss sizes and delivery timescales (normally 2 working days). We might not have the exact coffin you want in the size you need, but we can recommend a suitable alternative.

Made from sustainable resources; this bamboo coffin is 100% natural and biodegradable. Tested to bear heavy loads, it is very strong.

Our Fair Trade crafted bamboo coffins are woven from the sustainable and flexible bamboo cane. This bamboo eco coffin has been woven in the traditional way, giving it a smooth surface. The straw coloured bamboo has a light green hue, and as with all natural materials, the colour of the bamboo can slightly differ on each strand.

### **Please note**

We do not provide the coffin with flowers – these are for illustrative purposes only. The coffin that you receive may not match the colour exactly of the coffin displayed on screen. They are natural materials and the colour tone may vary harvest to harvest. Also your computer monitor may have different colour settings to ours. All our coffins come with a bio-degradable waterproof lining and a second unbleached cosmetic cotton lining
