Jute Coffin

£295

Jute coffins are made with Bengal grown jute, a Paulownia timber frame and bamboo handles.

The jute coffin available as part of a funeral you're arranging with Natural Endings or for local delivery or collection. When you purchase this coffin online, we will contact you to discuss name plate and delivery/collection with you.

This coffin is tested and accredited by the FFMA.

Jute coffins are made with Bengal grown jute, a Paulownia timber frame and bamboo handles.

At the moment, the coffin comes in one size: 6'2" x 22" internally. The coffins have been tested to lift up to 160kg (approx. 25 stone) in weight.

All the materials used in a jute coffin are readily biodegradable and suitable for cremation, traditional burial and woodland burial.

A jute coffin can be uniquely decorated by family and friends. Pieces could be sown on to the jute fabric, or the panels could be painted on. The coffin arrives flat-packed, as is easy to assemble. This is something Natural Endings can do for you, or perhaps you would like to be involved in the process.

Please note

This coffin currently only comes in one size: 6'2" x 22" internally. This means it is not suitable for anyone that measures taller or wider than that.
We provide this jute coffin as part of a funeral that you're arranging with Natural Endings.
We also sell this jute coffin for collection at our office locations in Todmorden and Stretford, or we can discuss delivery for an additional fee.
This coffin comes with a bio-degradable waterproof lining on the bottom panel.
